**ADDENDUM**

**COVID 19- Statement**

Dear Radnor High School Parents and Guardians:

Due to the continuously evolving and changing circumstances related to the COVID-19 pandemic, policies and procedures outlined in this Student Handbook are subject to change based on the provisions of the RTSD Health and Safety Plan. Any individual questions specific to the building should be directed to your child's building administration. A link to RTSD Health and Safety Plan may be found here: [Health and Safety Plan / Health & Safety Plan \(rtsd.org\)](https://www.rtsd.org/Health-and-Safety-Plan)

**Privacy Notice**

The Radnor Township School District is committed to, and believes, that in-person learning is the best form of learning for our students. However, due to COVID-19 and other life events, we recognize that some of our students may require flexibility in their educational program. For the 2021-2022 school year, parents/guardians are notified that classes may be live streamed and recorded. As such, families should not expect privacy in the area where virtual instruction is taking place. Should classes be live streamed or recorded, only students in a particular class will have access to the live streaming or recorded sessions.

**Expectations for Virtual Learning**

Should virtual learning take place at any time during the 2021-2022 school year the following guidelines will be in place for students during virtual learning sessions:

- **District settings and teacher practice:**
  - Participants are not able to join a meeting prior to the teacher so that all meetings are supervised.
  - A waiting room will be enabled for all meetings.
  - Screen sharing will be disabled as a preset.
  - Teachers will remove disruptive students from a meeting at any time.
  - End the meeting for all participants once a session is finished.
- **Students must:**
  - Be in attendance for homeroom and all classes.
  - Have your camera on and participate in live sessions:

- Engaging and contributing to class discussions are critical to the learning process.
    - Students must stay logged in for the duration of their class period unless otherwise directed by their teacher.
  - Mute the microphone when you are not speaking.
  - Have your full first and last name set as your screen name prior to joining a Zoom.
  - Ensure that all communication, written or spoken, complies with Board policies and the expectations set forth in the Student Handbook; inappropriate, offensive or threatening comments, misrepresentation of identity, and/or disruptive behavior will not be tolerated.
    - In short, be polite and respectful at all times.
  - Wear appropriate attire as if you were in school.
  - Leave the Zoom meeting after class is concluded.
  - Turn off your television, and put your phones and other electronic devices away during instruction.
- **Assessments:**
  - All cell phones and Smart devices should be put away during assessments.
  - If you are caught using your phone or another device during an assessment, you will automatically receive a zero.
  - Follow the RHS honor code.
  - Do not plagiarize the work of others and claim it as your own. If you are caught cheating on an assessment, **you will receive an automatic zero.**
- **Schoology:**
  - Review the material each teacher has posted on their Schoology, specifically how materials are organized and how information is shared.
  - Be clear on your teacher's expectations.
  - If for some reason Schoology is not working, **it is the expectation that you will email any assignments to your teacher.**
- **Parents/guardians and students are prohibited from:**
  - Recording classes
  - Sharing or posting pictures or videos from class via any electronic means including social media platforms.
  - Sharing Zoom links, log-in information, and/or passwords in any forum, public or private.
  - Entering Zoom sessions for classes that you are not enrolled in.
  - Interrupting a teacher and disrupting class if there are concerns with the class
    - Any parent concerns should be addressed to the teacher via email after class has concluded; it is critical to allow the teacher to focus on instruction during class time.
- **Students and parents/guardians are encouraged to:**
  - Identify a comfortable, quiet space so you can work effectively and successfully.
  - Notify members of your household prior to joining a Zoom session.
  - Use headphones with a microphone to eliminate background noises.
  - Set up your workspace so that the student is situated in front of a blank wall.
  - Enable an appropriate Zoom background image to be visible in place of the student's actual background.
  - Maintain the confidentiality of other students.

## Protocol for Resolving Technical Issues

Please try all of these things before submitting a help ticket:

- First, make sure it is not a browser issue (e.g., Google Chrome), and try a different browser to see if this solves the problem. If so, then you need either to update your regular browser or clear its history, cookies, and cache.
- If after updating your browser or other browsers do not work, make sure it is not your computer. Restart your computer. If the error persists, try logging in from a different computer to see if you receive the same error message.
- Take a screenshot of any error messages, if possible, to illustrate the exact problem.
- Last, after someone (or you) fixes the problem, make sure you refresh/reload the Web page, as the system will remember and display the exact same page (with errors) you were looking at the last time you logged in.

## Technical Assistance

RTSD provides technical support to students and parents/guardians who need assistance with Schoology, or their school issued device. Assistance can be found here.

## Families Experiencing Financial Hardship

RTSD empathizes with families who are experiencing financial hardship. There are programs available to support your children that include:

- Reduced cost internet
- Access to meals
- Clothing and school supplies
- One-time assistance with utilities

Any family who needs support due to significant financial distress should reach out to the RTSD social workers:

- Grades K-8: Ceire Evans (ceire.evans@rtsd.org)
- Grades 9-12: Christine Kulp (christine.kulp@rtsd.org)

## Netiquette

- Remember that behind every name there is a person.
- Respect the privacy of your classmates and what they share in class
- Avoid sweeping generalizations when commenting
- Understand that we may disagree
- Ask classmates for clarification if you find a posting offensive or difficult to understand
- Be respectful to each other
- ALL CAPITAL LETTERS indicates SHOUTING
- Respect the opinion of your classmates
- Be careful with humor and sarcasm. Both can easily be misunderstood.
- Don't overuse acronyms and emojis. 😊
- **Keep in mind that everything you write, indeed every click of your mouse, is recorded on the RTSD network server**
- On the internet there are no take backs!
- If you refer to something your classmate said earlier in a discussion, quote just a few key lines from their so that others won't have to go back and figure out which post you're referring to.
- Maintain boundaries with what you share

- Do not work in your bedroom, work in a space where you can concentrate away from distractions.
- Be on time for class.
- Don't walk around with your device.
- The same rules that apply in school apply online
- Consider how you dress, and dress as if you were in school
- **NO RECORDING**
- **NO BULLYING**
- Keep muted until you speak

Study Halls

Parents and students should note that if virtual learning takes place at any time during the 2021-2022 school year, study halls at Radnor High School will not be conducted in a virtual environment.

### MARKING PERIOD CALENDAR FOR 2021-2022

MP 2	1/28/21
MP 3	4/8/21
MP 4	6/21/21

### PENNSYLVANIA GRADUATION REQUIREMENTS

Keystone Exams in Algebra I, Biology, and Literature **are a graduation requirement for the class of 2023 and beyond**. A proficient score of 1500 or higher is required for graduation in each of the tested areas. If a student is not successful on the Keystone exams, there are multiple pathways students can pursue to satisfy the Pennsylvania graduation requirement. Each pathway is explained below:

#### **Pathway 1: Keystone Proficiency**

Pass all 3 Keystone exams (Algebra I, Biology, and Literature) with a **1500 or higher**. **This is the pathway Radnor High School recommends for all students.**

#### **Pathway 2: Keystone Composite Score**

Earn a composite score of **4452** on all three Keystone exams: *Algebra I, Biology, and Literature*. This is the alternate pathway that Radnor High School recommends.

#### **Pathway 3: Alternative Assessment**

Pass the Keystone course and earn a minimum score on an approved alternate assessment:

1. *The student pursues advanced coursework and achieves one of the following scores: AP level course (3) or dual enrollment course (IB - 4).*
2. *The student pursues an alternative assessment and achieves one the following scores: PSAT (970), SAT (1010), ACT (21), or ASVAB (minimum score for admittance to armed services).*
3. *The student achieves acceptance to a four-year non-profit institution of higher education.*

**Note:** The PSAT, also known as the National Merit Scholarship Qualifying Test (NMSQT), is taken in 11<sup>th</sup> grade and is one the alternative assessments that would be accepted for pathway 3. Earning a passing score as a 9<sup>th</sup> grade student on the PSAT 8/9 or as a 10<sup>th</sup> grade student on the PSAT 10 **would not** qualify the student to meet the pathway 3 requirement as these are not the PSAT.

#### **Pathway 4: Career and Technical Education**

The student earns a locally established grade on the course associated with each Keystone exam and satisfactorily completes one of the following:

1. *The National Occupational Competency Testing Institute (NOCTI).*
2. *The National Institute of Metalworking Skills (NIMS) assessment in an approved Career and Technical Education concentration.*

#### **Pathway 5: Evidence-Based (Three Pieces of Evidence)**

The student earns a locally established grade on the course associated with each Keystone exam and demonstrates readiness for post-secondary engagement through **three pieces of evidence** from the student's career portfolio aligned to the student goals and career plan. Examples include:

1. *SAT subject tests*

2. AP level dual enrollment coursework
3. High education acceptance
4. A community service project
5. Completion of an internship, externship, co-op, or full-time employment

Students are required to earn a total of 22.5 credits to graduate from Radnor High School (RTSD Board Policy #217). Among the 22.5 credits must be 4 credits in English, 3 credits in Social Studies, 3 credits in Mathematics, 3 credits in Science (Biology, Chemistry, and Physics), 2 credits in Arts and Humanities (1 of which will be earned in fine arts or practical arts, or both), 2 credits in Physical Education, 1 credit in Health, and ½ credit in Technology or Business. An Advanced course follows a demanding curriculum prescribed by each department to help students progress toward meeting the challenges of competitive college work. Advanced courses aim to develop higher-order thinking skills, using accelerated pace and content. Students enrolled in an Advanced course undertake a challenging workload that involves reading, writing, problem solving, and critical thinking; they will continue to develop independence both inside and outside the classroom. Students receive an un-weighted grade in an Advanced course.

## **College Prep (CP)**

A College Prep course follows a challenging curriculum prescribed by each department. College Prep courses prepare students to be ready for college level work. Students enrolled in College Prep courses learn through guided instruction that involves reading, writing, problem solving, and development of critical thinking skills. Students receive un-weighted grades in College Prep courses.

## **PARTICIPATION IN GRADUATION**

Seniors must enroll in enough courses during the senior year to meet requirements to acquire 22.5 credits for graduation. Students must have all credits (22.5) in order to receive their diploma. In addition to academic requirements, all financial and disciplinary obligations must be cleared in order to participate in the ceremony.

## **EARLY GRADUATION**

Applicants for early graduation (i.e. those who wish to accelerate and complete graduation requirements in less than four years) should make requests in writing to the chairperson of the school counseling department by October 1 of their junior year. The school counseling chairperson and the principal will act upon the request. Any student approved for early graduation may be placed in a senior homeroom if they can complete all required credits for senior status by the end of their third year in high school.

## **GRANTING CREDIT**

Any course completed at Radnor High School by a Radnor Middle School student **will not** be granted graduation credit. The grade **will not** appear on the student's high school transcript and **will not** be included in the GPA.

Any student taking a university course, for which they receive credit from that university, may also receive Radnor High School credit. The grade will not appear on the Radnor High School transcript and will not be counted in the GPA. The official university transcript will be attached to the RHS transcript.

Any course taken outside Radnor High School at an accredited high school will be granted credit, however, the grade will not appear on transcript, and will not be counted in the GPA. The accredited High School transcript, if available, will be attached to the RHS transcript.

University summer school courses for which college credit is granted may get high school credit only through the **prior approval of the course by the principal.**

## **PARTIAL CREDITS**

A course must be completed in its entirety before credit will be awarded (e.g., a student who successfully passes the first semester of a full-year course and subsequently withdraws from the course will not receive partial credit regardless of the reason for the withdrawal).

## **PROMOTION REQUIREMENTS AND HOMEROOMS**

In order to be promoted and assigned to a homeroom in the next grade, a student must meet the following requirements:

Promotion From  
9<sup>th</sup> to 10<sup>th</sup> Grade

Minimum Requirements  
Must have 5.50 credits

10<sup>th</sup> to 11<sup>th</sup> Grade  
11<sup>th</sup> to 12<sup>th</sup> Grade

Must have 11.50 credits  
Must have 18.00 credits

Students who have not earned enough credits to be promoted will be notified by the school counseling department before the start of the subsequent school year. If students are able to successfully make up their credit deficiency, they may re-join their original class the following school year.

### GRADING AND GRADE POINT AVERAGE (GPA)

Teachers determine the requirements for the grades awarded to students at the end of each marking period.

All courses in Radnor High School will use the following grade scale:

<u>GRADE</u>	<u>Numerical Range</u>	<u>Weighted GPA</u>	<u>Unweighted GPA</u>
A+	98.50% to 100%	4.6667	4.3333
A	92.50% to 98.49%	4.3333	4.0000
A-	89.50% to 92.49%	4.0000	3.6667
B+	86.50% to 89.49%	3.6667	3.3333
B	82.50% to 86.49%	3.3333	3.0000
B-	79.50% to 82.49%	3.0000	2.6667
C+	76.50% to 79.49%	2.6667	2.3333
C	72.50% to 76.49%	2.3333	2.0000
C-	69.50% to 72.49%	2.0000	1.6667
D+	66.50% to 69.49%	1.6667	1.3333
D	62.50% to 66.49%	1.3333	1.0000
D-	59.50% to 62.49%	1.0000	0.6667
F	0% to 59.49%	0.0	0.0

In the calculation of GPA, the following factors are considered:

1. All subjects are used in computing GPA, including grades earned by Radnor students studying via homebound instruction, by foreign exchange students attending Radnor, and through Special Education courses.
2. Courses taken Pass-Fail are not included in the GPA.
3. Courses taken at a college/university, abroad, or any other accredited high school will not be included in the GPA.
4. GPA is cumulative throughout high school, counting all courses taken in grades 9 to 12.
5. Radnor has a dual GPA system. The transcript of every Radnor student indicates a weighted and a non-weighted GPA.
6. Only grades in Advanced Placement, Seminar and Honors courses are weighted.
7. Withdrawn (WD) will be recorded on the transcript when a student is officially withdrawn from a course. The course will not be calculated in the GPA. A **WD** cannot be removed from the transcript.

Calculating grades for most year-long classes:

$$(Q1 \times 0.2) + (Q2 \times 0.2) + (\text{Midterm} \times 0.1) + (Q3 \times 0.2) + (Q4 \times 0.2) + (\text{Final} \times 0.1) = X$$

Calculating grades for most semester-long classes:

$$(Q1 \text{ or } Q3 \times 0.4) + (Q2 \text{ or } Q4 \times 0.4) + (\text{Midterm or Final} \times 0.2) = X$$

## **INCOMPLETE GRADES**

Throughout the first three marking periods an incomplete grade must be made up **within twenty school days** after the marking period ends unless a documented medical condition does not allow for this. Incomplete grades will be recorded as failures if they are submitted at the end of the term. Petitions for an extension of this period (or an exception to these rules) must be directed in writing to the principal. Since report cards come out shortly past the end of a marking period, teachers would inform a student that they have received an (I) grade so that the student can begin to make up work and meet the deadline. Incomplete grades may only be carried into the summer for students with extenuating circumstances and with approval and consultation of the high school administration and teacher.

## **PASS-FAIL GRADES**

A student carrying more than 6.5 credits may choose to be graded on a Pass-Fail basis in one or more of the courses above the 6.5 credit minimum. The student declaring their intention to be graded on a Pass-Fail basis must designate the course(s) to be graded by completing the Pass-Fail request form **at least two weeks** prior to the end of the first marking period. **Administrative approval is required before a student can be graded in any course on a Pass-Fail basis.** Should a course(s) be dropped, thereby reducing the student's load to 6.5 credits or fewer, the course(s) designated as Pass-Fail will then revert to the grading policy used by the teacher for students taking the same course for a more traditional grade. In those areas where specific academic levels of proficiency are required for continued study, the teacher required to grade on a Pass-Fail basis will provide a written statement regarding the student's ability to pursue a higher-level course. Pass-Fail grading is acceptable for summer enrichment course(s) (but not remedial courses) provided that the grading decision is announced before the summer course begins. Pass-Fail courses are not included in GPA. **Courses required for graduation may not be taken on a Pass-Fail basis.**

The teacher being asked to grade on a Pass-Fail basis will use the same grading scale that is used for students being graded in a more traditional manner. However, a teacher grade of A, B, C or D will be entered as a P (Pass). A grade of F using the traditional scale will be recorded as an F for students who have elected to be graded Pass-Fail. It is understood that a staff member who has concerns about a student's request to be graded on a Pass-Fail may ask for a conference with the student and their parents/guardians. This conference will be held prior to beginning Pass-Fail grading.

## **MEDICAL GRADES**

*Radnor High School philosophy of the "M":*

Accommodations, if needed, will be developed based on these two priorities, in this order (but not separable from each other):

- 1) Healing the child;
- 2) Maintaining the integrity of the school and its programs.

The purpose of any designed accommodation will be to facilitate the student's progress toward the academic goal of earning credit without compromising either the primary immediate goal of promoting the child's healing or the ongoing goal of maintaining the academic integrity of the school and its programs.

Accordingly, RHS does not deem it appropriate to prioritize time factors in the resolution of the "M", as is more common in the case of an "Incomplete" ("I"). It should be also noted that an

“M” no longer stands alone in place of a grade. An “M” is a placeholder for an extended period of time for students with a documented medical condition.

A “Medical” (“M”) is a temporary non-grade. It indicates that the student was incapable of completing work or that the work had to be modified to accommodate a documented medical condition. An “M” is not counted in the GPA; credit is not awarded for the course if the final grade is “M”.

To ensure that all affected parties act in accordance with the aforementioned philosophy, the following expectations must be fulfilled when an “M” is issued:

*Expectations of the student/family:*

1. Students who are requesting a Medical (“M”) for a marking period, a semester or final exam, or the final grade must provide documentation from a doctor. The specifics of this documentation are listed below, under “Expectations of the medical professional.”
2. During the Medical period, the student cannot be involved in any extracurricular activities (i.e. any RHS-sponsored activities, including athletics, trips, academic and club competitions, etc.) until they are also cleared to complete all academic work.

*Expectations of the medical professional:*

The doctor or mental health professional (referred to hereafter in this section as “doctor”) must provide a note specifically stating the following:

1. The medical reason for the request;
2. The skills affected by the medical condition (e.g., “Cannot use a computer screen,” “Cannot read for more than 15 minutes without a break”)
3. The length of time during which a student may need to have work modified and/or during which they may not be able to complete specific academic assignments.

RHS asks the doctor to identify actions the student is or is not able to do during the time of healing, while not indicating specific instructional accommodations. For example, we rely on the doctor to indicate that a concussed student cannot read for more than 15 minutes without a break or fill in the small bubbles on a Scan Tron sheet. We ask the doctor to refrain from suggesting instructional accommodations, such as that the student be excused from a final exam or be given credit without having completed work for a course.

*Expectations of the teacher, administrators, and other school-based professionals:*

1. The teacher, administrators, and other school-based professionals will develop accommodations based on the doctor’s recommendation.
2. Teachers will provide a list of essential work that must be completed in order for the student to demonstrate mastery of the essential content. Once this work is completed, the “M” will be replaced by the grade earned by the student on their academic record.

While the accommodations developed by RHS may include the waiving of assessments and other non-essential work for a particular marking period, the “M” does not eliminate the need for the student to master material that is essential for the class.

Provisions of the Medical Policy:

- The medical period ends when the student completes and submits the necessary and essential work.
- Students are not permitted to take part in any extracurricular events during the medical period.

- An “M” cannot be given retroactively. Once a grading period has closed, RHS will not change a grade based on medical documentation submitted after the final, marking period, semester, or exam grade has been issued by the teacher.

## AUDITS

Students may audit a class they may be interested in taking. Audits must be preapproved by the teacher of the class and are limited to two class audits per school year. There is an application process.

Students can pick up a form in either the main office, the school counseling office, or here.

### Conditions of approval for a class audit:

1. A class audit **may not** take place on a day when an assessment is scheduled or **the day before** a scheduled assessment.
2. A class audit **may not** take place the two weeks prior to midterms and finals.
3. Audits **must be preapproved** by the teacher of the class and are limited to two audits in a school year

## GRADES (CORRECTING MECHANICAL ERRORS)

Students, who believe that they have received an incorrect grade, should speak to their teachers. If the grade is found to be incorrect, it is the teacher's responsibility to complete a grade change form and submit it to Ms. Nadine McDevitt, secretary to the assistant principal for academic affairs. Once the form is submitted the grade will be corrected and a new report card will be issued. Only teachers may change grades.

## REPORT CARDS

Report cards are issued to each student four times each year, shortly after the end of each quarter. All report cards are posted on HAC (Home Access Center). End of year report cars **will not** be mailed home. All student debts must be paid or arrangements with a school administrator must be made, in order for a student to receive their end-of-year report card.

## UPDATING OF GRADES

Classroom teachers will update HAC every two weeks to notify parents/guardians on student progress. Parents/guardians and students are encouraged to check HAC to stay up to date on student grades. A new feature in HAC is the ability to receive email updates when grades are entered. Parents/guardians need to enable this feature in HAC by clicking the alert box on the classes page under the classwork tab (see picture below). Students and parents/guardians are encouraged to reach out to their teacher if the student’s grades begin to slip in a particular class.

The screenshot shows the HAC interface with a navigation bar at the top containing icons for Home, Attendance, Classes, Grades, Student Support, and Registration. Below the navigation bar, there are tabs for 'Classwork' and 'Schedule'. The main content area displays a form for setting alerts. It includes a dropdown menu for 'View Classwork for Report Card Run 4', a 'Show (All Classes)' dropdown, and an 'Order by Class' dropdown. There are two alert checkboxes: one for course averages and one for assignment averages, both with input fields for percentage thresholds.

## **SEMESTER AVERAGES AND YEAR AVERAGES**

First quarter and second quarter grades combine with the mid-term exam to determine the first semester average. Grades from all quarters and both the midterm and final exams determine the overall (or final) grade for the course.

*HAC reports a running calculation of a student's grades. Therefore, it often reports an inaccurate final semester or year averages since it does not take into account the weighting of the marking periods and exams. The accurate percentage and grade is on the report card; not on the class assignment page.*

## **HONOR ROLL (ACADEMIC RECOGNITION)**

Radnor High School gives recognition for academic excellence through honor rolls computed on **quarterly grades only**. The requirements are listed below:

1. Distinguished Honor Roll
  - a. The student must **carry a minimum load of five major subjects and earn a grade point average (GPA) of 3.7 or better in all subjects**
  - b. Those who receive an incomplete mark or no mark at all in any course are excluded from honor roll
2. Honor Roll
  - a. The student must **carry a minimum load of five major subjects and earn a grade point average (GPA) of 3.2 or better in those subjects.**
  - b. Those who receive an incomplete mark or no mark at all in any subject are excluded from the honor roll.

## **MIDYEAR AND FINAL EXAMS**

A midyear exam and/or final exam is required in all English, World Language, Mathematics, Science and Social Studies classes. These are to be administered according to a published schedule. **Midyear or final exams may be taken early ONLY with written permission from the principal. The Principal may grant permission for a student to take an "incomplete" and make up an exam at a time, not to exceed two weeks, following the original exam date.** General information regarding exams is as follows.

1. All students must take final exams in all courses where they are expected to, regardless of their semester or year average in those courses. (\*see AP final exam guidelines)
2. Typically, exam grades for full-year courses will be worth 10% of the final grade. Thus, the mid-term and final exams will count towards a total of 20%.
3. Makeup exams will be given during scheduled make-up periods only.
4. Any student, who refuses to take an exam or does not make a good faith effort in a timely manner, within a 2 week period, will receive a zero for the exam.

## **TEST TAKING GUIDELINES**

The following procedure should be followed for all tests administered at Radnor High School.

### **Students should:**

- Listen to, read, and follow all directions given.
- Ask questions if they do not understand the directions.
- All cellphones, smart watches, and other electronic devices must be placed in their book bag and bags should be placed in the location to be determined by the proctor/teacher.
- Keep their eyes on their own test.
- Report any suspected cheating to their proctor/teacher.

### **Students should not (unless instructed to do so by the teacher):**

- Bring notes with them to the test.
- Have any electronic devices (e.g., cell phones, smart phones, smart watches, etc.) unless otherwise instructed by the teacher.
- Talk with others about questions on the test during or after the test.
- Take notes about the test to share with others.
- Leave a test session without permission from the proctor or teacher.

### **STUDENT RESPONSIBILITY FOR MAKE-UP WORK**

1. Sometimes students miss class because of illness, death in the immediate family, etc., and prior arrangements cannot be made. In the case of such an excused absence, students will be permitted two (2) school days for each day of excused absence to make-up schoolwork (i.e. homework, test, quizzes, class activities or assignments) missed during the period of absence. For absences in excess of five (5) school days, alternate arrangements may be made with individual teachers.
2. In all instances, the student shall: be responsible for initiating the makeup of the work, secure and recopy notes, get assignments and make arrangements for taking tests, as appropriate. **Students should be aware of teacher expectations when missing days tests are given, presentations are given or projects are due.**
3. At times students miss class for reasons for which **prior arrangements can be made** (e.g. field trips, college visits, doctors or dentist appointments, meetings, rehearsals, family trips, etc.). A student should always inform their teachers and submit an Anticipated Absence Form to the Attendance Office before the absence occurs.
4. They should also assume that normal classroom activity would occur on the day of the absence. It is the responsibility of the student to make up work missed and to come into class the following day with the work completed, regardless of the reason for the absence.
5. **Course work or any work for credit missed due to an illegal/unexcused absence may NOT be made up.**

### **ANNUAL NOTIFICATION OF RIGHTS PERTAINING TO STUDENT RECORDS**

#### **Student Records**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. Please refer to Board Policy and Administrative Regulation 216 (Student Records), which are accessible on the District's publicly accessible website at <https://www.rtsd.org/> or by contacting the District at the above address and phone number for specifics of the District's procedures including but not limited to the classification, maintenance, destruction, and disclosure of student records. A summary of these rights follows:

(1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the record (s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student's right to privacy.

Parents or eligible students may ask the District to amend a record that they believe inaccurate, misleading, or in violation of the student's right to privacy. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading, or in violation of the student's right to privacy.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, teacher, or support staff member (including health or medical staff and law enforcement unit personnel); a Board member; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing their tasks.

A contractor, consultant, volunteer, or other party to whom the District has outsourced District services or functions may be considered a school official under certain circumstances.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The District discloses educational records without consent to officials of other agencies or institutions that have requested the records and in which the student attends or seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer upon conditions as specified in FERPA and in District regulation. A student is considered to attend an agency or institution if the student is either enrolled in or receives services from the agency or institution.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, S.W.  
Washington, D.C. 20202

### **Directory Information**

FERPA requires the District, with certain exceptions, to obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the District may disclose appropriately designated information (known as "directory information") without your written consent, unless you notify the District in writing within 20 days of the date you receive this notice that you do not want any or all of those types of information about the student designated as directory information. Directory information includes the following information relating to a student: the student's family members' name, address, telephone number, date and place of birth, participation in

officially recognized activities and sports, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Directory information may be disclosed for purposes beneficial to the student and the District only with the approval of the District Superintendent or designee. A parent or eligible student may not use the right above to opt out of directory information disclosures to prevent an educational agency or institution from disclosing or requiring a student to disclose the student's name, identifier, or institutional e-mail address in a class in which the student is enrolled.

### **Notice Regarding Education for Homeless Youth**

Under the McKinney-Vento Homeless Assistance Act, schools must identify children and youth in homeless situations and provide appropriate services, including immediate enrollment in school, even when students lack paperwork normally required for enrollment.

The goal of the federal Law, McKinney-Vento, is to assure continuity of education despite circumstances that may result in a family experiencing homelessness. The specific definition in the law for the purposes of continued enrollment in a school district is as follows: Homeless students are defined as individuals lacking a fixed, regular and nighttime residence, which includes, but not limited to, the following conditions: sharing the housing of other persons due to loss of housing or economic hardship; living in motels, hotels, trailer parks or camp grounds due to lack of alternative adequate accommodations; or living in emergency, transitional or domestic shelters.

For more information, please visit the following link on the District's website:  
<https://www.rtsd.org/Page/22366>.

Please also see School Board Policy and Administrative Regulation No. 251 – [Homeless Students](#)

Please contact the RTSD homeless liaison or social workers if you have any questions regarding homelessness.

## **GIFTED SERVICES**

The goal of Radnor Township School District's academic programming for gifted and advanced learners is to provide extended curriculum, services, and opportunities to students who have demonstrated the need for learning experiences which are both above grade level and are presented at a more rapid rate and pace.

Students may be referred for a gifted evaluation by a teacher, school principal, or parent/guardian. Parents/guardians who believe their child may qualify for GIEP identification according to PA Chapter 16 guidelines and wish to request a gifted evaluation should begin the process with a written request to their child's principal asking that their child be formally evaluated.

## **HOMEBOUND INSTRUCTION**

*Parents/guardians/students who are applying for homebound instruction must contact their school counselor first to begin the application process.* Homebound is typically for students with severe documented medical circumstances which impede them from attending school for a temporary time. A student who applies and is approved for homebound instruction may not be able to fulfill all academic requirements and not every course on a student's schedule will be considered or available through homebound. Each circumstance and schedule is individual, so a meeting with the student's school counselor is imperative to determine which courses can be offered.

During the time any student is on homebound, they generally may not be involved in any extra-curricular activities until the time they are no longer on homebound instruction.

## **OVERRIDES**

Any student who wishes to override a teacher recommendation may do so with their parent's/guardian's approval. An Override Form must be obtained from the school counseling department. The override to a non-recommended course will not be changed in the student's schedule until the form is signed and returned to the school counselor. If a student and family decide to override a teacher's professional recommendation based on the student's completed work, grade earned, and demonstrated work ethic, should the student choose to drop the non-recommended course after the school year has begun, it will result in a WD on the student's transcript.

## **SCHEDULE CHANGES**

All course requests are due **Friday, April 22, 2022**. Please read carefully below as the timeline to change a course/request was revised.

### **April 25<sup>th</sup> through the release of schedules in August 2022**

**No changes to courses/requests will be honored between April 25, 2022 through August 2022.**

The only schedule changes that will be permitted include: students newly admitted to RHS, scheduling errors, academic misplacements by the teacher, counselor or administration. Academic misplacements include, but are not necessarily limited to, failure to meet prerequisites or an improper level placement. Requests to change courses of this nature will be handled by the School Counseling Department.

### **Schedule release date in August 2022 through September 2, 2022**

Changes to course requests will be honored during this period. Students should reach out to their school counselor via email, as counselors are only in the building intermittently throughout the summer. Counselors will do their best to honor change requests made during this period, but these requests are not guaranteed as they will be dependent on availability of seats in the requested class(es) and the ability to fit the requested course(s) in the student's schedule.

### **September 8<sup>th</sup> through September 29, 2022**

No changes to course requests will be honored between September 6, 2022 through September 27, 2022.

### **September 30, 2022 and beyond**

Schedule changes are permitted as long as the student follows the steps and rules outlined below.

#### **The following rules apply to all change requests:**

- Preferential changes (one elective for another or moving a class from one period to another) are not permitted.
- Parallel changes (teacher preference) are not permitted under any circumstances.
- A high school administrator must approve all schedule changes. During this time, changes will be contingent upon space availability and the opportunity for the student to make up work missed in the new class.
- **A student may not apply for a withdrawal until after the first 15 class meetings and no withdrawals will be honored after the first marking period for first semester and after the first semester for year-long courses. *Only teacher-initiated withdrawals will be considered after Thanksgiving recess.***
- **Second semester courses will not be considered for withdrawal until after 15 class meetings and no withdrawal from a second semester course will be honored after the third marking period. *Only teacher-initiated withdrawals will be considered after the third marking period for second semester courses.***

### **INDEPENDENT STUDY**

1. Independent Study is only offered to students in 11<sup>th</sup> and 12<sup>th</sup> grades and the student must be carrying 6.5 credits to be considered making the Independent Study an additional .5 or 1 credit.
2. A Faculty member who is certified in the discipline area of the chosen Independent Study must sponsor a student. The Faculty Sponsor is responsible for all grading and monitoring of student progress.
3. An Independent Study proposal cannot include a currently offered Radnor High School course.
4. The proposal must include the following:
  - a. The objective of the Independent Study
  - b. Clearly outlined and detailed benchmarks as defined by the Faculty Sponsor to monitor progress of student. Two benchmarks are required for a semester Independent Study and four benchmarks are required for a full year Independent Study.
  - c. A final summative assessment which is to be graded by the Faculty Sponsor is to be submitted with the initial proposal.

*Independent Study will be awarded credit based on length. A semester Independent Study will be awarded 0.5 credit and a full-year Independent Study will be awarded 1.0 credit. The length of the Independent Study will be determined by the Faculty Sponsor.*

### **ADVANCED PLACEMENT (AP) TEST POLICY**

An AP course follows the college-board goals, and challenges students with college-level work in both rigor and expectations, and prepares students to take the AP exam. Students enrolled in an AP course undertake a rigorous workload that involves extensive reading, writing, problem solving and critical thinking. Essential to success in these courses is the ability to learn independently outside the classroom. Students receive a weighted grade in Advanced Placement courses.

All students enrolled in an Advanced Placement (AP) course are required to take the AP exam for the course at the end of the school year. If a student chooses not to take the AP exam, the AP designation will be removed from the transcript/report card, and the course will be designated as Honors. (*Example: AP World History will be listed as World History H.*) If a student decides in May not to take the chosen AP Exams, then the AP designation will be removed from the final transcript.

Information for pre-registering for each exam will be disclosed by September 2021 when College Board makes the announcement. When the date for pre-registering has been announced, students can pay for the exam by making checks payable to **Radnor High School**. Students may also pay using Total Registration.

Students with financial hardship may apply for a fee waiver through College Board. Your school counselor can assist with the fee waiver process.

### **Final Exam Opt Out for Advanced Placement Courses**

The goal of an Advanced Placement (AP) course is to prepare students to be successful on the AP exam in May. Throughout the course of a year, a significant amount of work is put forth by teachers and students to prepare for these exams. Students enrolled in AP courses are expected to take the exams in May. AP exams are cumulative course exams.

It is the responsibility of Radnor High School to put our students in a position to be successful on these "high stakes" tests. In order to reduce the burden of over testing, students will be eligible to opt out of the final exam for a particular AP course if they meet the following criteria:

1. Must earn a B+ or better for all 4 quarters for the course in question
2. Must sit for the AP exam in question
3. May not have an "M" for any of the quarter grades or midterm exam for the course
4. Must have all incompletes (I's) resolved for all courses by June 1, and may not use an "I" for the course in question for the 4th quarter.

During the weeks leading up to the AP and Keystone exams, all teachers are asked to be cognizant of the amount of work they are assigning. Effective preparation for the AP exams is crucial to a student's success. To ensure a student's workload is balanced, the two weeks prior to the AP exams will be designated for practice exams and review. Based on the College Board's order of exams, teachers have the ability to assign practice exams, projects, homework and other activities to assist their classes in preparing for the AP exams. If they choose to assign this type of graded review work, teachers must give their course specific practice exams or review assignments during their designated week.

More information regarding AP exam window will be shared as the 2021-2022 school year gets underway. Students should also stay in close communication with their AP teacher for test related information.

\*Note – Although all AP exams are listed, not all courses are offered at RHS.

The aggregate value of all projects, practice exams and quizzes for any given AP course during the AP study week period will not be capped this year. It is the expectation of the administration that final exams are given for all courses during the final exam window. It is also the expectation of the administration that all teachers, AP and non-AP teachers, will be cognizant of the amount of work being given to their students leading up to and during the May testing window.

All students who do not qualify to opt out of the final exam for one or more of their Advanced Placement courses must take the course final exam during the designated final exam window at the end of the school year.

Students may elect to take a final exam that they have the option to opt out of. All final exams for AP courses must be given during the designated finals windows in June. Students who waive their final exam will receive a No Grade (NG) on their report card. Once finals have been administered for the course no opportunity to opt out will be granted. Likewise, students who choose to opt out may not elect to take the final after it has been administered. Grades for the year will be calculated as follows if students opt out of a final exam:

$$(Q1 \times 0.2) + (Q2 \times 0.2) + (\text{Midterm} \times 0.1) + (Q3 \times 0.2) + (Q4 \times 0.2) = X \text{ Final grade for the course} = X/0.9$$

This procedure was created in collaboration with AP teachers, RHS and RTSD administration, and RHS student government leaders. The spirit of these guidelines is an attempt to balance the workload for our students leading up to the AP exams, provide equity for teachers in scheduling necessary review activities, incentivize students to excel on the AP exam and in AP courses throughout the course of a year, and reduce over-testing of our student body.

I understand that I am opting to enroll my student in a course that is different from the teacher recommended course. Once an override occurs, it is expected that the student will stay in the class for the duration of the school year and not request to be moved to the recommended level. If a student does withdrawal from the course, a WD will be placed on the student's transcript. There will be no exceptions that would allow a student who overrides a teacher recommendation to drop the course without earning a WD as the final grade for the course. **In addition, if student changes levels the change will only be approved if there is room available in a section of that particular course.**

**Moving Up a Level**

Please be advised that a teacher's recommendation is made based on the challenge a student should anticipate and the opportunity for success in learning. Please be advised if a student chooses to move up to a higher level, it is with the knowledge that the course work will be more rigorous than their current class. The pace and/or workload will not be adjusted to accommodate the student who has chosen to take on this challenge.

**Moving Down a Level**

Please be advised if a student chooses a lower level, it is with knowledge that the course work may be less challenging and the pace and/or the workload will not be adjusted to accommodate the students who have chosen to drop levels. Expectations of earning higher grades in a lower level should not be anticipated.

## **SECTION III – EXTRACURRICULAR ACTIVITIES, CLUBS AND ATHLETICS**

### **ELIGIBILITY REQUIREMENTS FOR EXTRACURRICULAR ACTIVITIES, CLUBS, AND ATHLETICS**

Extracurricular activities, clubs, and athletics are considered a vital part of Radnor High School's program. Research supports that the quality of a high school student's life and their academic success improves when there is some positive involvement beyond the regular school day. The expectation of all participants in extracurricular activities, clubs, and athletics is that they adhere to the eligibility requirements listed below.

1. Attendance / Lateness to School – It is school policy that students may participate in school activities including practices, games, performances, activities, and/or clubs, only if the students have been in attendance in school since 10:30am. A note from the doctor's office is required if a student needs to leave school in the middle of the day or if they come after 10:30am. The note must be presented to the attendance office by 3:00pm on the day of the appointment. An exception will be made if the student has an approved medical appointment, in which case, the student must present to the attendance office a signed excuse from the doctor, on the physician's letterhead, regarding the absence. A note from a parent/guardian who is a physician for illness in which the parent/guardian was the primary doctor will be acceptable but must be on letterhead from the parent/guardian's practice.
2. Early Dismissal - For a student to participate in any extra-curricular activity, they must be present in school the day of the activity. If a student needs to have an early dismissal for any reason, they are expected to follow the early dismissal policy outlined in the student handbook. It is expected that the time students are out of the building will not exceed half of a day. The Building Principal or Athletic Director may make exceptions to this policy when a student has extenuating circumstances.
3. Suspension: Suspended students are prohibited from participation during the term of the suspension. This also includes away contests. A student who is suspended for reasons of alcohol or other drug use will be suspended from participation in any sport or activity for an additional period of 10 calendar days. Additionally, the student will be referred to the Student Assistance Program. A second violation will cause suspension from all activities for 90 calendar days. For a full description of this procedure and consequences see the section *Drug Abuse and Alcoholic Beverages of the Student Code of Conduct* below.
4. Grades – School administration will run a grade report every Monday morning starting the second week of September. If a student is failing more than one credit, they will be ineligible until the next grade report is run. If at the end of a marking period, a student is failing more than one credit, the student will be ineligible for the first 15 school days of the following marking period. In determining eligibility for the first marking period, a student's final grades for the preceding year will be used. Deficiencies made up at an approved summer school will be considered.
5. Debts – Students must resolve all debts to be eligible to participate in any activity or athletic event. These debts must be paid prior to participation.

\* Pennsylvania Interscholastic Athletic Association (PIAA), which governs high school sports in Pennsylvania, has issued rules affecting student eligibility for sport teams.

## **BEHAVIOR AT SCHOOL SPONSORED ACTIVITIES**

Student behavior problems which occur at or while traveling to/from extracurricular, school-sponsored activities, regardless of whether the activities take place on or off school property, will be acted upon as if the situation occurred during the school day. Participation in future events may be limited or prohibited and other consequences may be imposed and will be determined on a case-by-case basis.

## **RADNOR HIGH SCHOOL ATHLETIC DEPARTMENT: GUIDELINES FOR SPECTATORS**

At RHS sporting contests we take pride in creating a positive environment for all spectators and athletes. It is of utmost importance that ALL members in attendance promote good behavior and sportsmanship. Our goal is to provide an atmosphere conducive to development of citizenship, inclusiveness, positive recognition and equitable opportunities for learning while maximizing the achievement of educational and extra-curricular goals.

Radnor joins the PIAA and Central Athletic League in promoting good sportsmanship by student-athletes, coaches, and spectators. We request your cooperation by supporting the participants and officials in a positive manner. Profanity, racial or sexist comments, or other intimidating actions directed at officials, student-athletes, coaches or team representatives will not be tolerated and are grounds for immediate removal from the site of competition. We thank everyone who comes out to support our students and our school, and look forward to another great year at Radnor High School. Go Raptors!

### **DO:**

- Understand your attendance is a privilege that provides an opportunity to observe an athletic contest, not to berate players, coaches, or officials.
- Cheer for your team.
- Encourage sportsmanship by supporting and respecting all players, coaches and officials
- Demand that others treat players, coaches, officials and other spectators with respect regardless of ethnicity, race, gender, age, sexual orientation, or ability.
- Support decisions of coaches and officials.
- Appreciate the efforts of players, coaches and officials.
- Be generous when we win, gracious when we lose.

### **DON'T (Grounds for immediate removal from contest and future contests):**

- Ridicule or berate players, coaches, officials, or other spectators.
- Engage in any unsportsmanlike conduct with officials, coaches, players or parents. This includes inappropriate comments including taunting, profanity, or gestures.
- Participate in any behavior endangering the health or well-being of a participant.
- Humiliate, denigrate, or intimidate, in any way, any participant or attendee. This includes chants about underclassmen.
- Ridicule any participant for making a mistake.
- Attempt to coach from the stands/sidelines or grandstand.
- Confront coaches, officials, opposing fans or participants in an antagonistic manner before, during or after contest.
- Throw ANY object onto the court/field of play.
- Rush the field/court in protest or celebration after a contest.

### **1. Prohibited Items:**

- Tobacco, electronic smoking products, alcohol, illegal or other controlled substances are expressly prohibited and law enforcement will be contacted if illegal activity is suspected.

- Attire should be appropriate and follow school dress code per RHS Student Handbook. No body suits, covering of face and head, disruptive costumes and or inappropriate clothing is allowed.
  - Drones and pets are prohibited on campus at any time, including during sporting contests and at after school events, unless expressly permitted by Board Policy or approved in advance by the Superintendent or designee.
  - Per the PIAA: The presence and/or the use of balloons, banners, laser pointers, noisemakers, pom-poms (by spectators), shakers, signs, sirens, strips of material, towels, whistles, and/or portable listening devices (without earphones) are prohibited.
2. Guidelines for Seating - Students need to be seated in the designated student area. Student seating is always on our bench side- either behind or directly across from the team. No movement of seating for the purpose of taunting the opponent is permitted.
  3. Theme Nights - Theme nights give our school the opportunity to come together in spirit to support our sports teams. Theme nights, (white outs/ black outs/ senior recognition) will be permitted as long as the theme is appropriate for the specific game and has been approved by administration. Theme nights are meant to bring the school together in a positive and fun way.
  4. Posters - While the PIAA does not permit signs or posters at sporting events, “Fatheads” of our players are acceptable if they are used to cheer on the team appropriately.
  5. RHS Student Handbook - All rules outlined in the RHS Student Handbook are in full effect when students attend a contest or event as a participant or spectator. Violations of the RHS Code of Conduct will be treated as if they occurred during the school day.

**SECTION IV**  
**ATTENDANCE AND DISCIPLINE POLICIES**  
**STATEMENT OF PURPOSE**

The goal of Radnor High School's attendance and discipline policies is to ensure an optimum learning climate, and to provide a structure that will allow all Radnor High School students to develop the self-discipline necessary to assume a positive place in society. To accomplish these tasks, active and positive participation by students, staff, and parents is necessary.

Students should assume responsibility for their behavior. Students and their parents/guardians should become thoroughly familiar with the student management sections of the Student Handbook. Parents/guardians are asked to review the discipline and attendance information with their children. Radnor High School staff will strive to administer the attendance and discipline policies consistently and fairly. Radnor Township School District School Board Policy #204 addresses Attendance, and #218 addresses Student Discipline.

**ATTENDANCE**

Consistent attendance is important to success in all learning. Most learning occurs in a sequential order; therefore, consistent attendance is necessary for students to build upon previous information, to provide understanding, and to develop skills in all areas of curriculum. Daily attendance contributes to the total development of the student and helps the student develop a sense of responsibility, self-discipline, and good work habits. It is essential if students are to derive maximum benefits from their education and reach their fullest potential. Additional information regarding attendance in Radnor Township School District can be found on the district website (<https://www.rtsd.org/domain/54>), and in School Board Policy and Administrative Regulation 204 (Attendance).

\*\*School lateness and absences (excused and unexcused) are shown on HAC and will appear on report card.

**Excused Absences**

Attendance regulations are governed by the School Code of Pennsylvania and Radnor Township School District Board Policy #204, which includes specific reasons for which a student may be excused from school for all or part of a school day. These include:

- Illness
- Family Emergency
- Death of a Family Member
- Participation in a musical performance in conjunction with a national veterans' organization or incorporated unit for an event or funeral. The national veterans' organization or incorporated unit must provide the student with note in advance of the absence indicating the date, location and time of the event or funeral.
- Medical or Dental Appointments
- Authorized School Activities
- Pre-Approved Educational Travel, Including College Visitations. This category of absence is limited to 5 school days per school year.
- Pre-approved religious instruction (limit 36 hours per year)
- Bona Fide Religious Holiday
- For purposes of receiving tutorial instruction in a field not offered in the District's curricula when the excusal does not interfere with the student's regular program of studies, the qualifications of the tutor or instructor are satisfactory to the Superintendent or his/her designee, and permission for

such excusal is sought in writing by the parent/guardian of the child in advance of the commencement of such tutoring

- When the student is required to leave school for the purposes of attending court hearings related to their involvement with the county children and youth agency or juvenile probation office.
- If the student is absent due to participation in a project sponsored by an organization that is eligible to apply for a grant under the Pennsylvania Agricultural Fair Act.
- If a student is dismissed from school during school hours for health-related reasons by a certified school nurse, registered nurse, licensed practical nurse or a school administrator or designee employed by the District.
- For obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.
- If a student whose parent or legal guardian has been called to duty for, is on leave from, or is immediately returned from deployment to a combat zone or combat support posting, school attendance, tests and extra-curricular or cocurricular activities, at the discretion of the Superintendent or designee, no penalties shall be imposed for absences of up to five (5) days. Teachers shall assist students in making up work caused by such absences.
- Where the Superintendent has approved an attendance, plan necessitated by rare and extraordinary circumstances. In this context, “rare” means typically no more than 1 or 2 per year District-wide and “extraordinary circumstances” means the student is engaged in a profession or activity at a nationally recognized level.

It is important for parents to realize that other reasons for missing school, such as those listed below, will result in an **unexcused** absence or lateness. This list includes but is not limited to:

- Oversleeping
- Missing the bus
- Babysitting
- Shopping
- Working (job)
- Participating in private hobbies or lessons
- Studying for an examination or preparing a term paper
- Car problems
- Family vacations that are not pre-approved – Educational Trip Request Form must be submitted 10 days prior.
- Unauthorized college visitations – Educational Trip Request Form must be submitted 10 days prior.

Students who are absent have **three (3) school days** after their return to submit a written absence note to the attendance office to have the absence excused. **Failure to do so will result in having that absence permanently coded as unexcused and the student will NOT be permitted to receive credit for tests, quizzes, or work missed due to the unexcused absence.** State law requires a written explanation from the parent/guardian in each instance of school absence, lateness, or early dismissal. Parents/guardians are requested to call **(610) 293-0855 and choose option #3 any time before 9:00 AM** to report their child's absence. In the event a call is not received, a school representative may attempt to contact the parents/guardians to confirm that the child is legitimately absent. Even if a call is received, students must submit an excuse within the three-day period.

## **MAKE-UP WORK**

1. During absences, students will be permitted to make-up work missed during periods of excused absences only. Students should make prior arrangements with teachers prior to field trips.
2. Students will be permitted two (2) school days for each day of excused absence to make-up schoolwork missed during the period of absence. For absences in excess of five (5) school days, alternate arrangements may be made with individual teachers.
3. Students who do not make-up work in the approved time period, shall forfeit the right to receive academic credit for work missed during the period of absence.
4. Any student whose absence is unexcused or who cuts a class shall have no opportunity to make-up the schoolwork missed.

**Procedure for collection of homework for student due to absence:** Homework will be collected for a student who has been absent for more than three days, or who anticipates an excused absence, which will exceed three days (e.g. hospitalization) by the counselor. The student or parent should call the Guidance Office with the request. Parents/Guardians may also email or call teachers. Requests for homework should be filled within 48 hours.

- School absences and school lateness (excused and unexcused) are shown on report cards and will appear on report card.

**NOTE:** Based upon the content of the absence card, one of the following seven (7) designations will be issued:

- Excused Absence
- Unexcused Absence
- Illegal Absence
- Excused Lateness
- Unexcused Lateness
- Approved Early Dismissal
- Absent Excused - Late

## **School Response to Unexcused Absences**

As outlined in more detail in Administrative Regulation 204 (Attendance), which can be found on the District's website, the District is required by law to take certain actions when students are truant and habitually truant, as defined in Pennsylvania law. Students and their parents/guardians may be required to attend a School Improvement Attendance Plan meeting, and referrals may also need to be made to school-based or community-based attendance improvement programs, the Delaware County Office of Children and Youth, and/or the local the magisterial district judge.

## **Late Arrival**

Each day upon arriving to school, every student who is arriving late during homeroom (after 8:30 a.m. **but** before 8:35 AM) without a note will report directly to homeroom. Unexcused tardiness will be recorded in homeroom noting the time of arrival. Any student arriving after 8:35 AM without a note should sign in at attendance and then report directly to the Assistant Principal's office for immediate consequences (see below). Students reporting late to school with a note from the parent/guardian or from a medical or dental appointment with the reason for the tardiness should report directly to the Attendance Office to sign in and receive a pass to class.

For the late arrival to be excused, a written explanation must be submitted to the attendance office that day. Specific reasons for which a student may be excused tardy are listed above in Section A. Examples of reasons that will result in a lateness being coded as Tardy Unexcused are listed in Section A above as well. Absence and Early Dismissal cards listing the acceptable reason, date, and signature of a parent or guardian should be turned in at the Attendance Office. As per RTSD Board policy, *“The mere fact that a parent/guardian has written an excuse does not mean the absence is excused. Reasons for absence of a doubtful nature are subject to administrative review.”* The student will receive an excused absence pass to present to their teachers. This note will give them permission to make up missed work. Students will be assigned detentions for chronic lateness.

Students who do not sign in late will receive disciplinary action.

Classes missed for unexcused lateness will be treated as a class cut.

**Note: Students who participate in Radnor High School athletics (practices or contests) and/or extracurricular activities must be in attendance at school by 10:30 AM and remain in school for the remainder of that school day.**

### **Excessive Lateness**

#### Unexcused Lateness:

1. After three (3) unexcused lateness the student will receive disciplinary action.
  - a. Disciplinary action may include:
    - Conference with student
    - Parent/guardian contact
    - A or B detention(s)
    - Denial of privileges/open campus
    - Referral for counseling
    - HS HOPE referral
2. After the ninth (9) unexcused lateness, the student will receive disciplinary action and a parent/guardian conference with an administrative committee will be required to ascertain their legitimacy. Additional action will be taken as needed.
  - a. Disciplinary action may include any actions listed above and:
    - Loss of parking permit
    - Suspension from extra-curricular activities
3. After the twentieth (20) unexcused lateness, the student will receive disciplinary action and a parent/guardian conference with an administrative committee will be required to ascertain their legitimacy. Additional action will be taken as needed.
4. Unexcused late arrivals that extend beyond homeroom and into instructional time may be coded as an **illegal class absence (cut)** and could impact a student’s grade.
5. An accumulation of unexcused late arrivals could result in a notice of unlawful absence if a student is of compulsory school age.

### **Early Dismissal Procedures**

Students requesting early dismissal must present a note to the Attendance Office prior to homeroom and then sign out in the attendance office when leaving. Each student will be issued a pass to show at the main entrance. If the student returns to school that day, they should sign in at the Attendance Office upon returning to school.

If a student signs in after a test it is the student's responsibility to see the teacher at some point that day to set up a time to make up the assessment. If possible, the expectation is for the student to make up the test on the same day. The same holds true for signing out before a test. If missing a test or exam for a doctor's appointment, student may be asked to provide a doctor's note to attendance to verify absence. Students should make every attempt to take exams on the date they are given. If a test was missed for a legitimate late arrival or early dismissal, it is the student's responsibility to communicate with the teacher and promptly take the exam.

### **CLASSROOM ATTENDANCE PROCEDURES:**

Class work missed due to an illegal class absence (cut) or school absence, may not be made up for credit. The student is still responsible for covering material missed for future assessments. **IN ADDITION, THERE WILL BE A 4% REDUCTION IN THEIR QUARTER GRADE FOR EACH ILLEGAL ABSENCE.** Students who miss class for a meeting with a school counselor or a teacher *must notify the classroom teacher BEFORE the meeting occurs*. If this does not occur, a detention may be assigned.

## **Section V – Student Discipline**

### **Student Code of Conduct**

In order to reach the primary goal of quality education for all students, a positive learning climate must be evident. To support the Radnor High School community in creating this climate, a comprehensive system of discipline exists to be effective in reducing discipline problems. The Radnor High School Code of Conduct contains reasonable rules aligned with Radnor Township School Board Policies.

Students are encouraged to assume responsibility for their behavior and to refine their ability to recognize right from wrong and act accordingly. Each student's rights, as well as those of the entire school community, to participate in and conduct the instructional program must be respected. Appropriate behavior is critical to create a healthy and safe school environment. Students are responsible for their behavior on school grounds, at bus stops, during travel on school district buses, and at school-sponsored activities off school property.

If that outcome is deemed unsatisfactory the parent/guardian will be directed to contact the Superintendent or designee.

This chain of command should be adhered to thus insuring an appropriate and proper outcome to the concern

Radnor High School Student Assistance Program is a systemic process using techniques to mobilize school resources to remove barriers to learning. The core of the program is school staff, all professionally trained, with a team approach. Team members are trained to identify problems, determine whether or not the presenting problem lies within the responsibility of the school and to make recommendations to assist the student. When the problem lies beyond the scope of the school, the Student Assistance Team will assist the parents/guardians and student so they may access services within the community. The team members do not diagnose, treat or refer to treatment; but they may refer for a screening or an assessment by our school psychologist for treatment. All referrals are confidential and can be made through administration, school counselor, or any staff member. If you or someone you know may be experiencing difficulties, please make a referral. More information regarding HS Hope can be found here.

Students may not be publicly identified or stigmatized or required to perform chores or other work when they cannot pay or have a negative student account balance. Schools will not require a student to discard a school meal after it has been served to the student, even if the student is unable to pay for the meal or has a negative student account balance. [Note: It shall not constitute public identification or stigmatization of a student for a school to restrict privileges and activities of students who owe money for school meals if those same restrictions apply to students who owe money for other school-related purposes.

Information on meal prices, menus, how to apply for free or reduced priced meals, how to check a meal balance or add funds can be found on the District's Food Services webpage. Any student who does not have an assigned class during that time should exit the building, find a teacher, and ensure they are accounted

for. Following the drill, students who were present in school, but marked absent during the fire drill, will be called to the office, and assigned a consequence.

### **DRESS REGULATIONS**

In accordance with Board Policy 221, the Board of School Directors recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. When student dress may constitute student expression, Board Policy 220 Student Expression/Distribution and Posting of Materials shall apply. Students may be required to wear certain types of clothing while participating in physical education classes, technical education, extracurricular activities, or other situations where special attire may be required to ensure the health or safety of the student.

### **HONOR CODE:**

The Radnor Township School District community holds the pursuit of knowledge in high regard. To support this pursuit, we believe that honesty, integrity, respect, and responsibility must be present among students, teachers, administrators, and parents/guardians. This Academic Honor Code (Board Policy #106) outlines basic requirements and responsibilities and is to be used to guide principle conduct in academic performance.

### **THE LIBRARY**

The library is open from 8:00 to 4:00 pm Monday through Thursday and 8:00 AM to 3:30 PM on Friday. Students are welcome to use the library during these times. **The use of this facility should be considered a privilege.** The goal is to encourage access to information in a variety of formats and introduce young adults to literature and other resources. The first priority of the library is providing services to classes doing research units where the teacher has reserved time in the library. Students may come to the library during an unscheduled period or from study hall with a library pass, which they can obtain from their classroom teacher. If the library is overcrowded, students may be admitted on a limited basis. There are rules in the library, but they are important:

- a. The library is for use of resources and quiet study only.
- b. No food or drink is permitted in the library.
- c. Inappropriate or disrespectful behavior may result in loss of library privileges and additional disciplinary consequences.
- d. The picture ID is also the library card. It is required for borrowing from the library. Each student is responsible for all materials checked out on his/her library card. Do not lend your ID card. If you lose or damage a book, you must pay the full cost of the book so that a replacement copy may be purchased.
- e. A fine is charged for any material returned after the due date; the fine schedule is posted in the library. Any material lost or damaged must be paid for at the full replacement cost and will include a processing fee.
- f. Computer use must be in accordance with posted rules as well as the Acceptable Use Policy.

## **ANNUAL NOTICE OF SPECIAL EDUCATION SERVICES**

The Annual Notice of Special Education Services is posted in the Delaware County Daily Times prior to the beginning of each school year in August. A full copy of this posting, also called the Child Find Notice, is available in the front foyer of the Radnor Township School District administration building and the Office of Student Services at 610-688-8100 x6071.

The Radnor Township School District provides – without cost to parents – screenings, evaluations, appropriate programs, and services to all students thought to be exceptional and in need of specially designed instruction, from age 5 through the end of the school year that the student turns 21. These programs and services are made available to children who meet the qualifications of being a student with intellectually disabled, hearing impairments including deafness, speech or language impairments, visual impairments including blindness, emotional disturbance, multiple disabilities, orthopedic impairments, autism, traumatic brain injury, other health impairments, and specific learning disability.

School-age children who do not meet the eligibility criteria outlined above may be eligible for special protections and for adaptations and accommodations in instruction, facilities, and activities under the Americans with Disabilities Act. Children are entitled to such protections, adaptations, and/or accommodations if they have a diagnosed mental or physical disability that substantially limits or prohibits participation in or access to an aspect(s) of the school program.

Public schools must educate children to the maximum extent appropriate in the regular education setting and they must receive instruction that conforms as much as possible to the instruction received by non-disabled students. Depending on the nature and severity of the disability, Radnor Township School District can provide programs and services beginning in the least restrictive environment to the most restrictive setting; in the one of the following.

- The public school the child would attend if not disabled
- An alternative regular public school either in or outside of the district
- A special education program or center operated by a public school entity
- An approved private school or other private facility licensed to serve children with disabilities
- A residential school
- An approved out-of-state program
- In the home.

The school district has established procedures to search out children who may qualify for special services. These procedures are to identify children with disabilities in order to provide them with a free, appropriate, public education, and include ongoing group and individual student screenings, parent referrals, teacher referrals and school team referrals. Information about students with disabilities is collected and maintained by the school district. ### **RTSD Verification of Residency and Eligibility for Educational Services**

As we prepare for the opening of another school year, it is extremely important to advise you regarding the policy of the Radnor Township School District and the Pennsylvania state law regarding residency and eligibility to receive educational services within Radnor Township School District.

Pennsylvania Public School Code, Sections 1301, 1302, 1305, 1306, 1309, 1310, and 1316 contain the state law regarding enrollment and eligibility to attend the local public school where the parent / guardian of a school-age student resides and the eligibility of certain non-resident students attending public schools. Radnor Township School District School Board Policy # 200 Enrollment in District, #201 Admission of Students, and #202 Eligibility of Non-Resident Students, in accordance with the state laws above, are the policies that govern your student(s) initial and continued eligibility to attend school in the Radnor Township School District. Therefore, it is important to notify your child's school if you or your child's living arrangements change at any time during the school year.

### **Please carefully review the following items that may impact your child's eligibility to attend school in the Radnor Township School District.**

#### **You or your child has moved:**

If you or your child has moved or will be moving at any time to a different location within Radnor Township or no longer reside in Radnor Township, you must immediately notify your child's school regarding your current address and continued eligibility to attend Radnor schools. Failure to do so may result in your child's withdrawal from school and legal proceedings against you to recover tuition and other associated fees regarding your child's removal from school.

#### **You are keeping a school aged child whose parents/guardians reside elsewhere:**

If you are keeping a school-age child in your home, whose parents or guardians reside elsewhere, you must complete and submit an Affidavit of Residency form before the start of each school year. This form constitutes a sworn statement that you are providing gratis support to the school-age child as if they were your own, and that the living arrangement is continuous and not just for the school year or

solely for attending school in Radnor Township. If you have previously completed an Affidavit of Residency form, a form will be mailed to you prior to the start of the school year. If you do not receive the form, please contact your child's school to receive a copy of the Affidavit of Residency. A new Affidavit of Residency must be completed each year for each child and submitted with proof of residency. See below for acceptable proof of residency documents. These forms must be signed and notarized in the presence of a Notary Public. Failure to do so may result in your child's withdrawal from school and legal proceedings against you to recover tuition and other associated fees regarding your child's removal from school. In addition, any false information provided by you regarding residency could result in your personal liability for tuition and/or criminal prosecution.

**You are the parent / guardian of a school-age child and you and your child are living with a Radnor Township Resident (including a family member):**

If you are the parent or guardian of a school-age child who attends public school in the Radnor Township School District **and** you are residing in the home of a Radnor Township resident, including family members, you must complete a Multiple Occupancy Registration before the start of each school year. The Multiple Occupancy Registration process contains two affidavits; an Application for Multiple Occupancy that is completed by the child's parent / guardian, and the Certificate of Multiple Occupancy that is completed by the Radnor Township resident with whom you reside. A new Application for Multiple Occupancy and a Certificate of Multiple Occupancy form must be completed each year and submitted with proof of residency. See below for acceptable proof of residency documents. If you have previously completed an Application for Multiple Occupancy and a Certificate of Multiple Occupancy form, the forms will be mailed to you prior to the start of the school year. If you do not receive the forms, please contact your child's school to make arrangements to receive a copy of the Application for Multiple Occupancy and the Certificate of Multiple Occupancy forms. These forms must be signed and notarized in the presence of a Notary Public. Failure to do so may result in your child's withdrawal from school and legal proceedings against you to recover tuition and other associated fees regarding your child's removal from school. In addition, any false information provided by you regarding residency could result in your personal liability for tuition and/or criminal prosecution.

**Acceptable proof of residency documents**

Parents/Guardians must provide three proofs of residency (ONE of the following: original lease or deed signed by both parties, mortgage payment booklet, or agreement of sale followed by original copy of settlement papers within 45 calendar days of settlement; **PLUS** any TWO of the following showing identical name and address: valid driver's license, valid vehicle owner's card, current utility bill, paycheck stub containing home address, tax bill or sewer bill).

If you have any questions regarding the above requirements, the school district policies, or questions regarding your child's specific eligibility for enrollment in school, please contact your child's school for assistance.

**MANDATED VACCINATION REQUIREMENTS**

Proof of immunization means a written record showing the dates (month, day, year) your child was immunized. Information on required school immunizations/vaccinations can be found on the Pennsylvania Department of Health's website. Information on exemptions from these requirements that may be available to students can be found in Board Policy and Administrative Regulation 203 (Communicable Diseases and Immunization), which can be found on the district's website.

A copy of the District's Student Wellness Policy is available in its entirety in Board Policy and Administrative Regulation 272 (Student Wellness), which are available for review on the District's website. ### **ACCEPTABLE USE OF TECHNOLOGY (Board Policy #815)**

The District's Acceptable Use of Technology Policy (Policy and Administrative Regulation 815) is available on the District's website. Parents/Guardians are strongly encouraged to review these documents and discuss the applicable rules and expectations with their children in age-appropriate ways. Policy and Administrative Regulation 815 are available for review on the District's website or [here](#).

### **SOCIAL MEDIA (Board Policy #815.1)**

The District recognizes the degree to which social media (blogs, micro blogs, social networks, media sharing sites, wikis, and the like) are part of our everyday lives. The District understands that these tools can have a place in education when used to further student-inquiry, investigation and communication.

Teachers may choose to use social media in the classroom to support curriculum and instruction where interactions focus on school-related content and issues. If they chose to do so, teachers must create an account dedicated to their professional work and represent themselves as themselves, not as the District. Teachers are not permitted to engage in online friendships with students and are asked to carefully consider online friendships with parents or guardians of students.

Students and teachers may not communicate online in ways that are hurtful or inappropriate or share inappropriate media of any kind. Teachers and students must only represent themselves and not express or imply they represent the official position of the district in any way. Teachers and students who are unsure about proper uses of a social media site or tool are asked to speak to building administrators.

Students who do not follow this policy may lose computer privileges, network access privileges or receive other disciplinary consequences.

More information on RTSD's Social Media Policy and additional resources, can be found [here](#).

At the discretion of individual teachers, students are permitted to use these devices for instructional purposes that do not disrupt the classroom and in ways that are consistent with the District's Acceptable Use Policy.

Students who bring a personal electronic device are reminded that they are not permitted to record or photograph or video others unless directed by a teacher as part of an educational assignment and receive permission from the subject. Devices are to be turned off and put away during tests and assessments unless directed otherwise by the classroom teacher. Personal electronic devices may not be used in locker rooms, bathrooms, pool areas or other locations where there is an expectation of personal privacy. Students are prohibited from creating a "mobile hot spot". The District is not liable

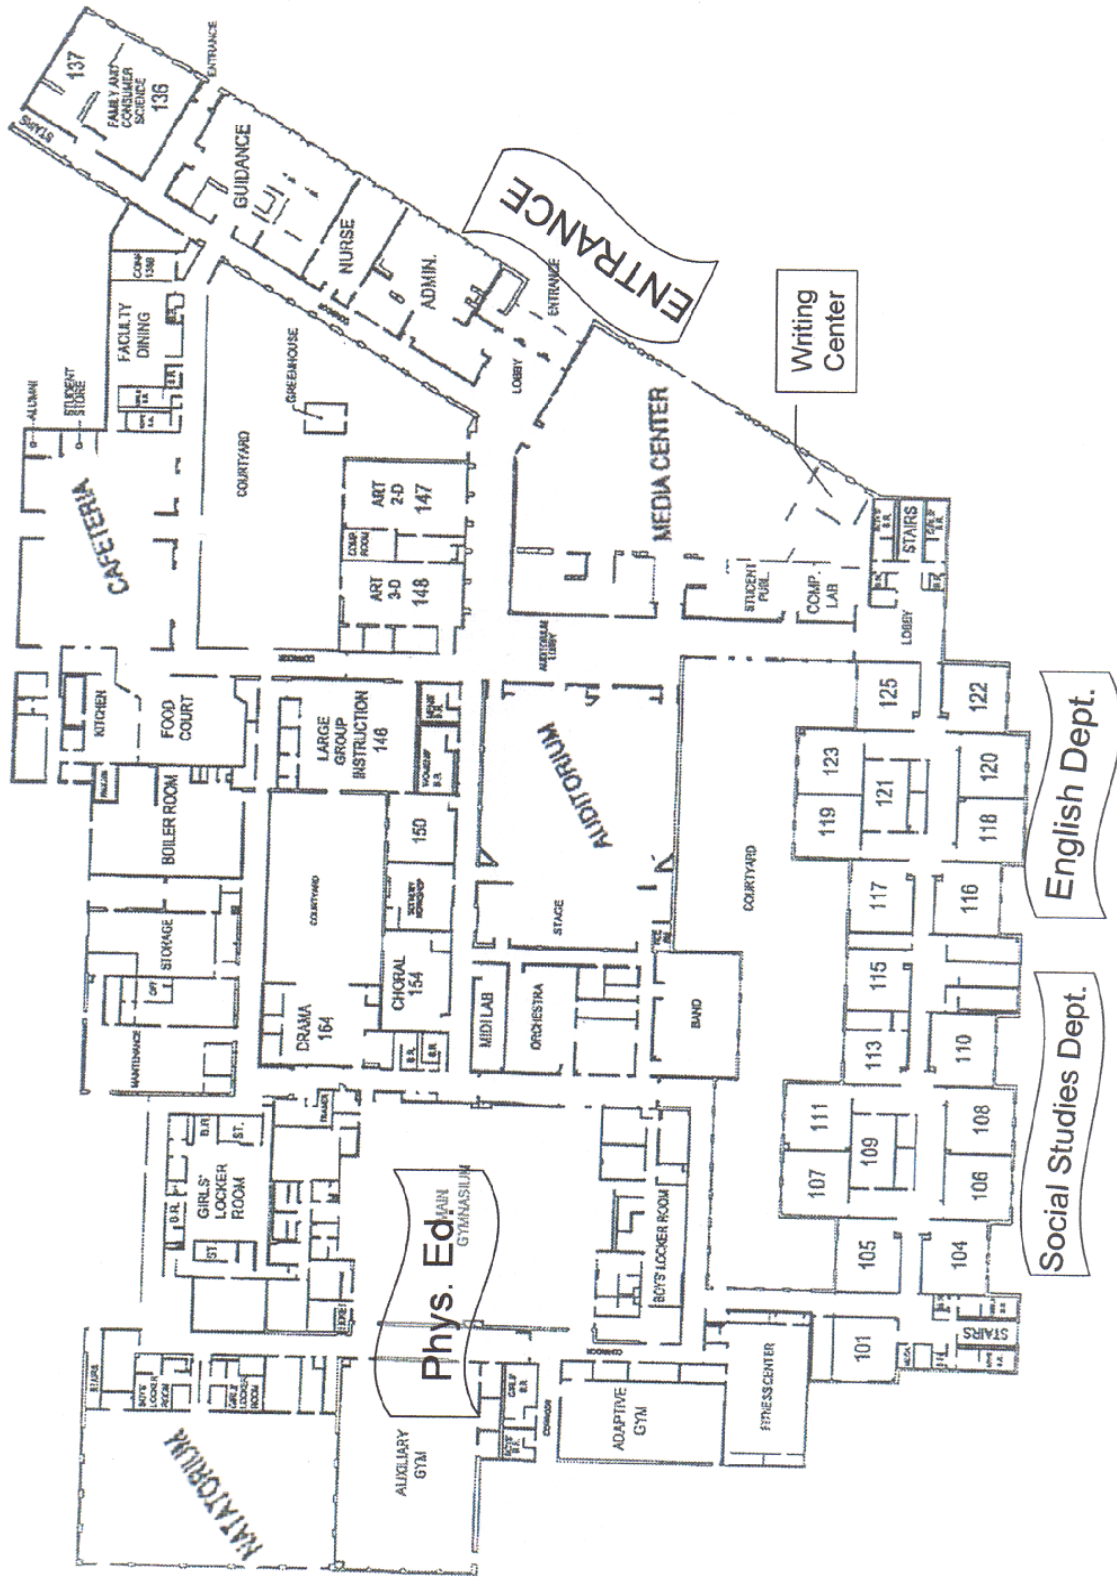

for the loss, theft, damage or unauthorized use of personal electronic devices nor are any District personnel permitted to provide tech support for these devices.

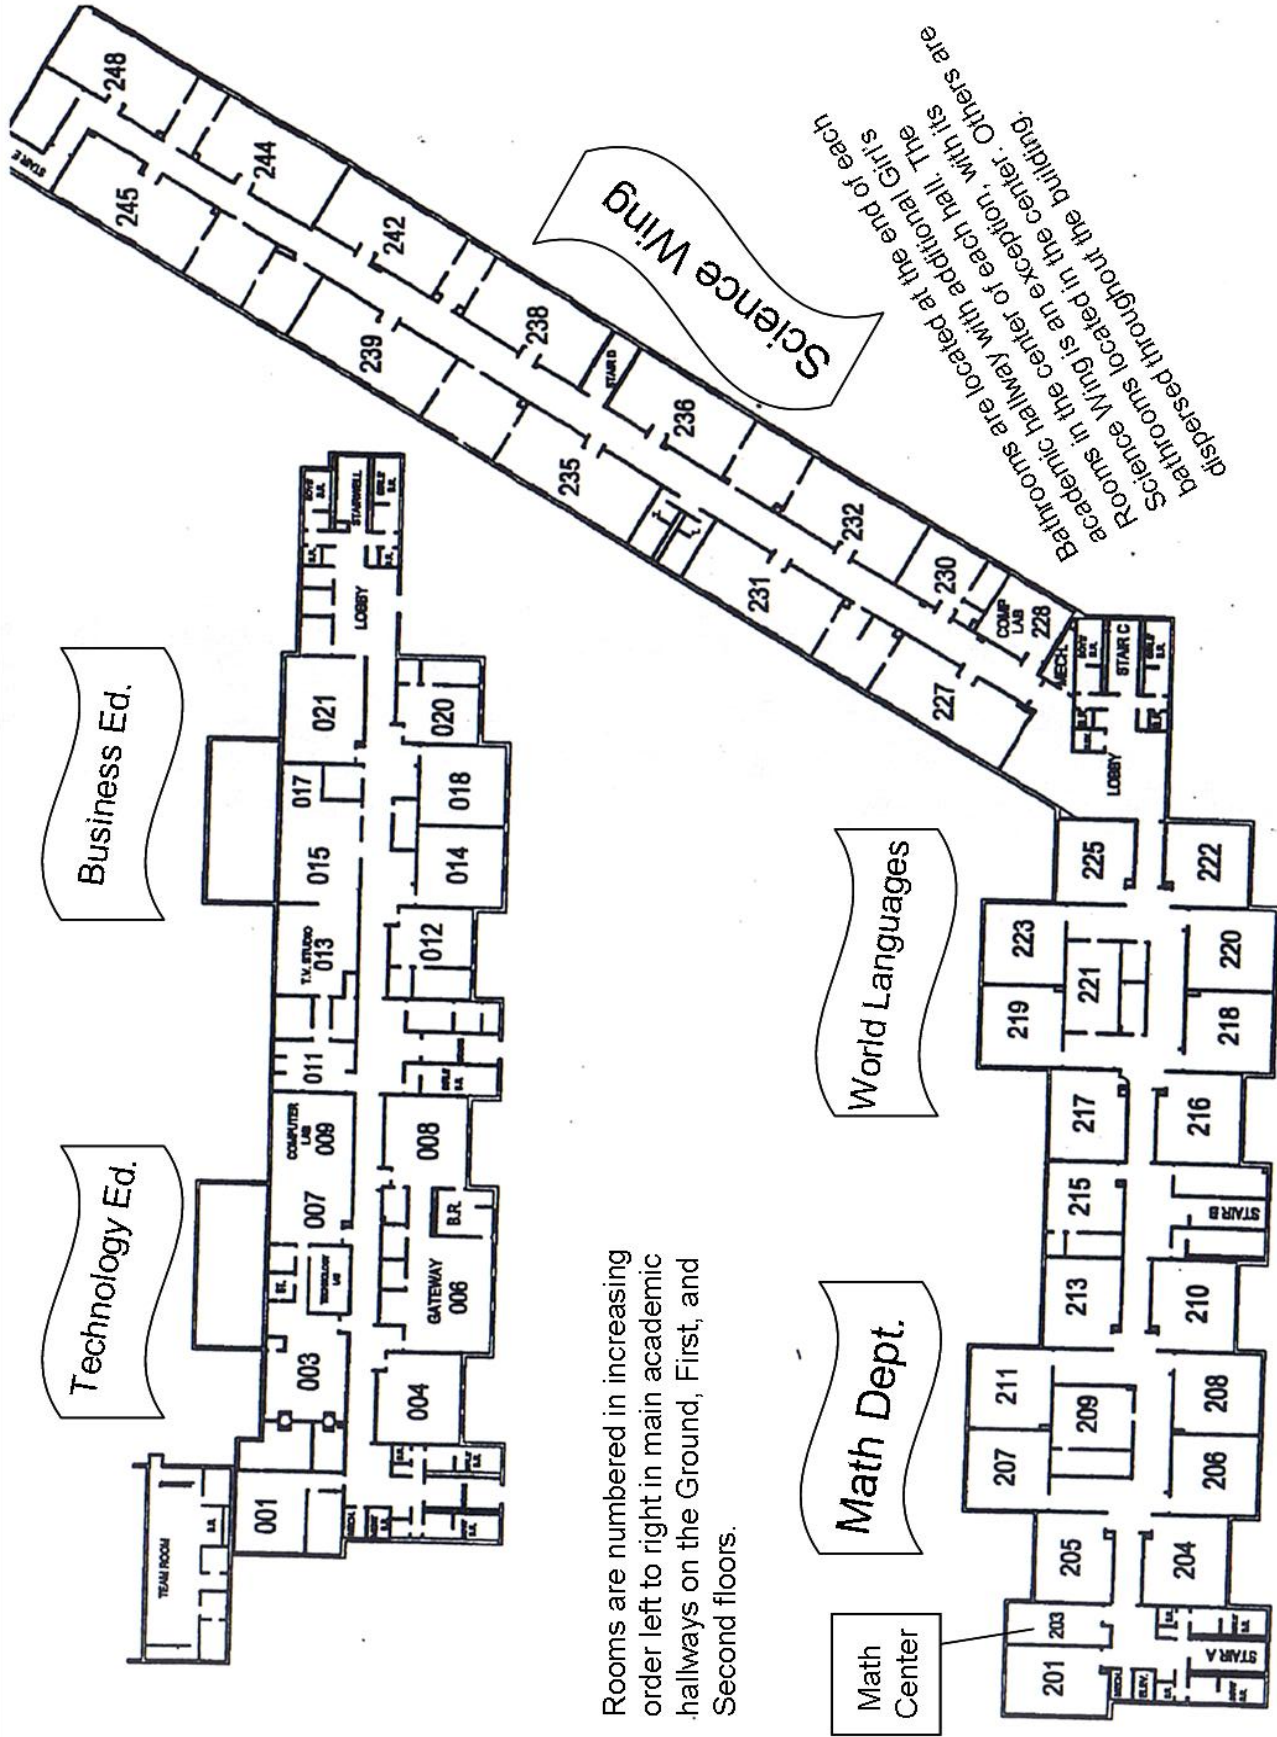

### **USE OF VIDEO CAMERAS ON BUSES**

Students, their parents/guardians, and, where applicable, school bus drivers and passengers will be notified as to the presence and possible activation of any video and audio recording devices.

The purpose of surveillance monitoring on school buses is to provide a safe environment for students, school personnel and contracted personnel. Surveillance monitoring will assist as a deterrent to misconduct which jeopardizes the safety of students and other permitted occupants of school buses, however it does not ensure the elimination of misconduct and cannot guarantee the absolute safety of those on board.
